

Preventing violence and aggression

Cumbria, Northumberland,
Tyne and Wear
NHS Foundation Trust

Keeping our services safe for everyone

- The staff in this Trust have the right to work in a safe and supportive environment.**
- Service users have a right to safe and therapeutic care.**
- People visiting our services have a right to be safe.**

Violence against our staff, service users and visitors is a crime. We will take action against anyone who behaves in a violent or aggressive way.

Caring | Discovering | Growing | **Together**
