

Carer Card Information Leaflet

Who is a carer

A carer is someone who looks after another person, usually a family member or friend, who could not manage without their support due to illness, disability, mental health problems or an addiction.

What is the Carer Card

We value carers and the essential role they play. The Carer Card identifies carers, and recognises the value of their involvement in the care of people who have accessed services within the Trust.

Using the Carer Card

Identification

The Carer Card will enable everyone to recognise someone as a carer.
